Thomas C. Hase

Known as an innovator in the use of new equipment and new techniques for over 30 years. His work has been seen: On Broadway, at BAM's Next Wave Festival, Seattle Opera, New York City Canadian Opera Company, the National Theatres of Germany, Holland, Finland, Sweden Ireland, Columbia & Japan, as well as throughout Regional Theatres and Opera Companies in the United States and many regional companies in France and the UK. He is also the resident lighting designer for Cincinnati Opera. For more information about his designs and further information about many of these templates, please log on to HaseItD.com.
